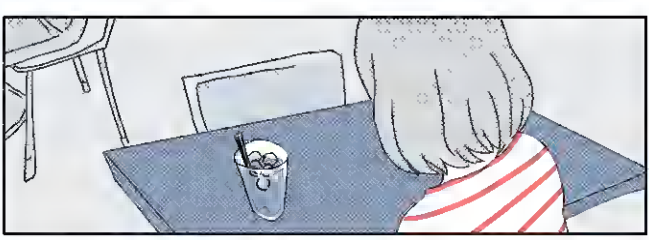
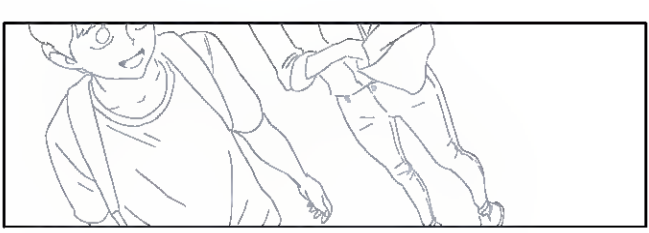
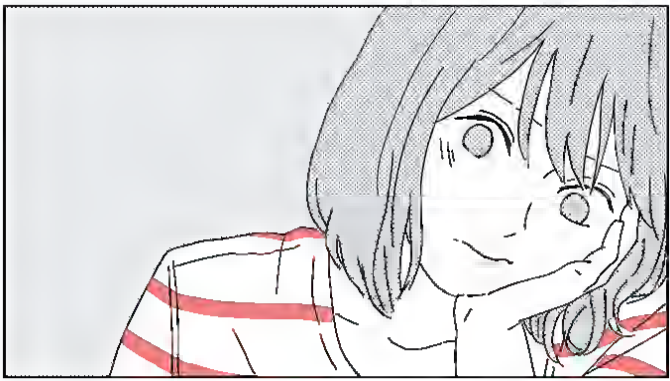
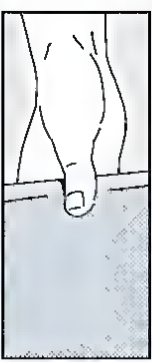
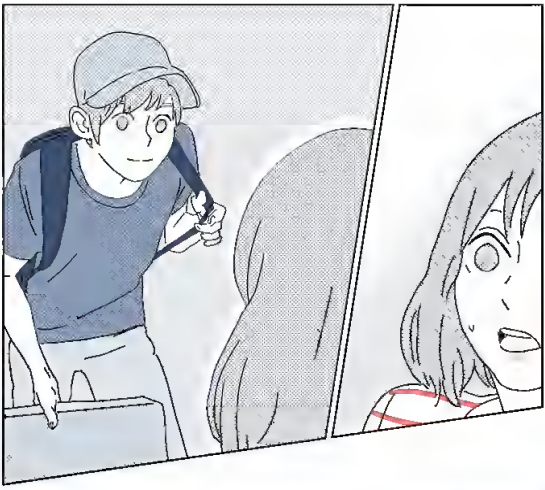
Do
your best!

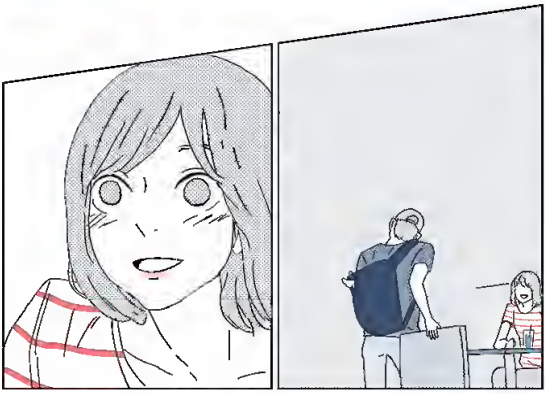








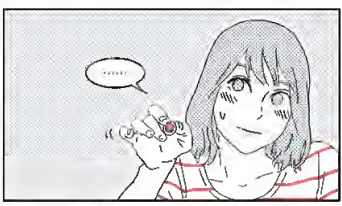




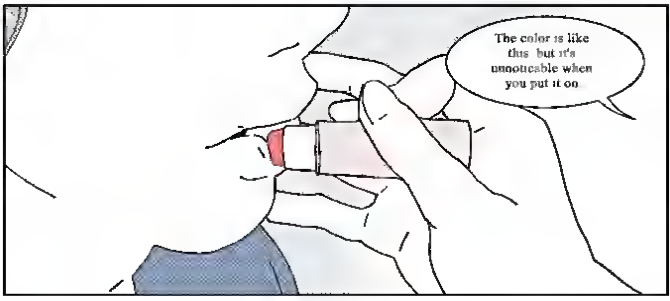
It is a gift.

A lip balm?
Yes. Give it to me.

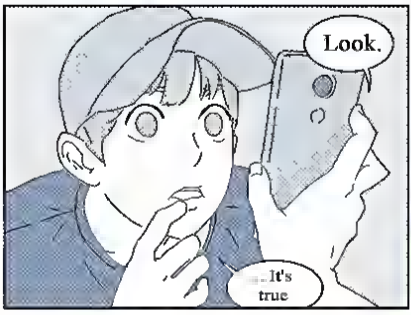
Isn't it too red? Is it something like a lipstick?
No.



.....

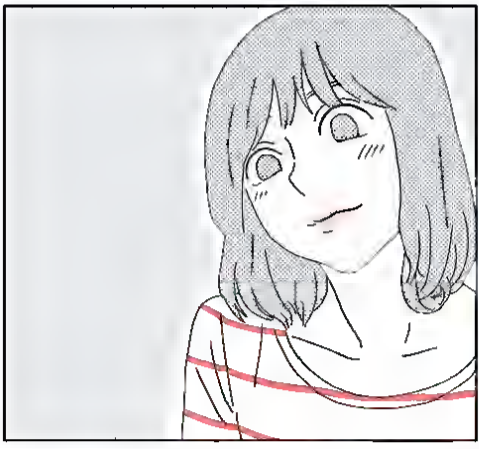


The color is like this but it's unnoticable when you put it on



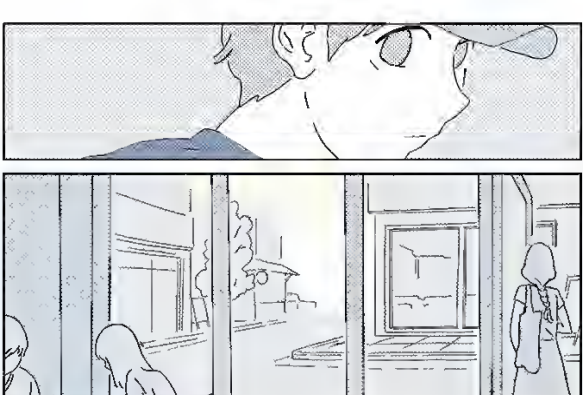
Look.
It's true

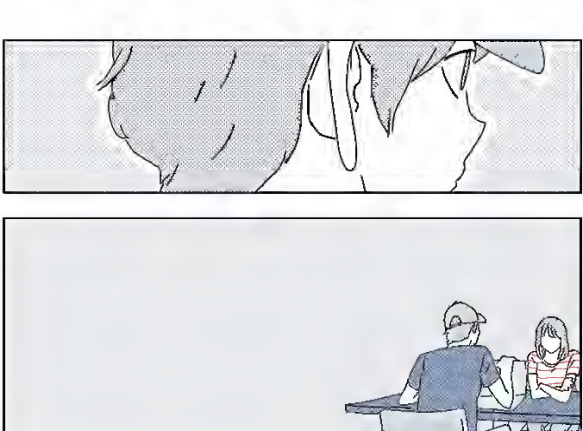
It's okay, so put it on your lips sometimes



Ah, I am sorry!
It is an important call
It is okay!

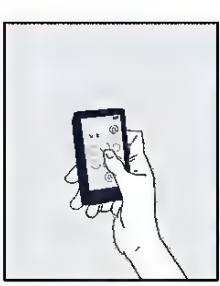
I am sorry I was on the phone for a long time
Eh, already?
You came soon!
.....

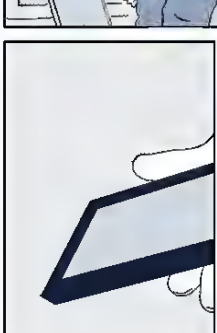




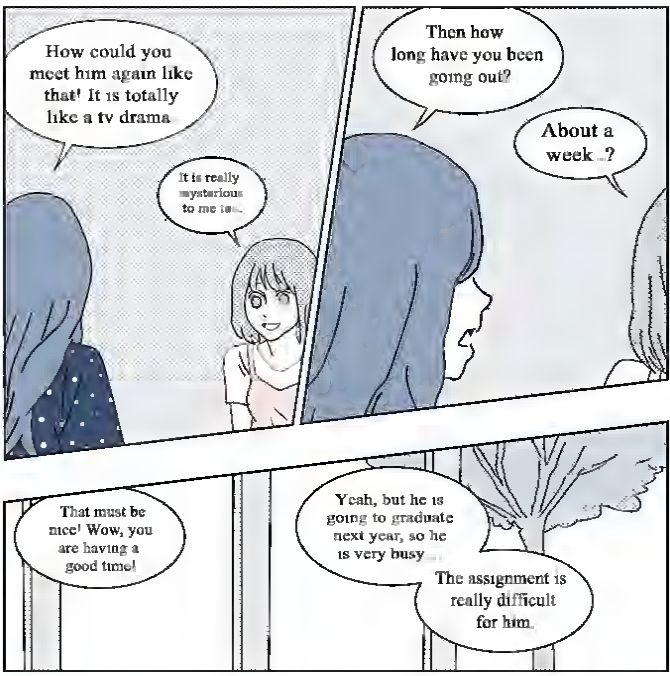
Cough
Cough

Cough
Cough!

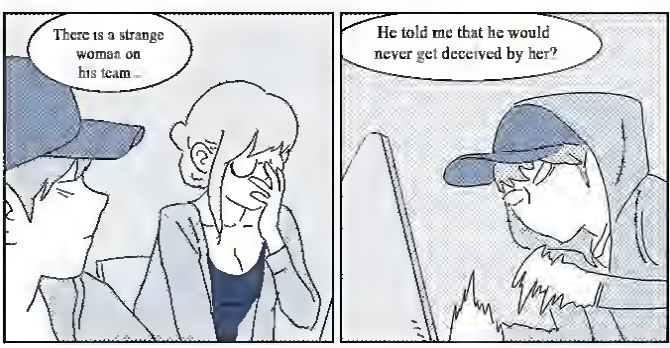




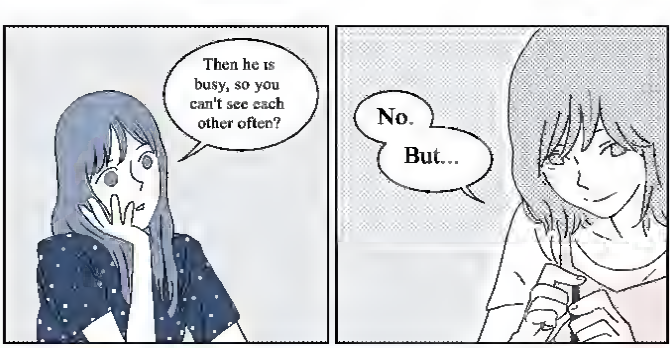
A week later
It's been a long time!
Really!
Really?
Wow~ Great!



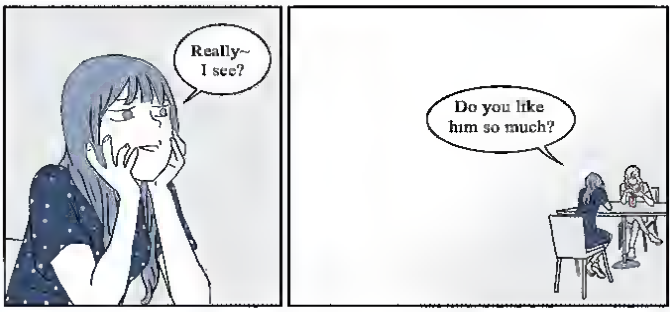
How could you meet him again like that! It is totally like a tv drama..
It is really mysterious to me too..
Then how long have you been going out?
About a week..?
That must be nice! Wow, you are having a good time!
Yeah, but he is going to graduate next year, so he is very busy...
The assignment is really difficult for him.



T/N: This is a reference from the webtoon THE GIRL FROM CLASS by the same author.



He always makes time for me even if he is busy...



Really~ I see?
Do you like him so much?

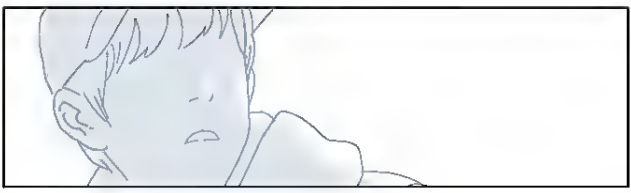
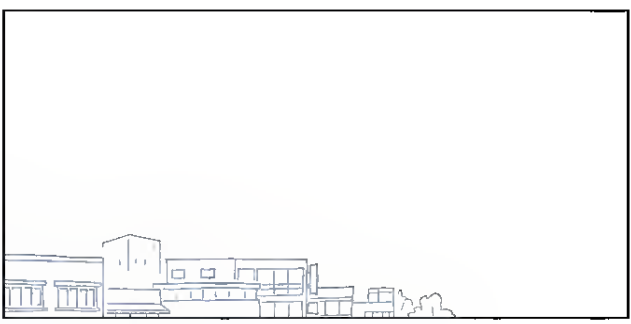
I can probably forget Yeon Hee now.

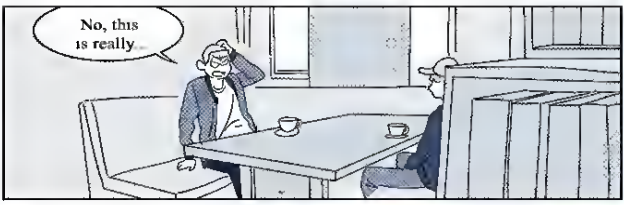




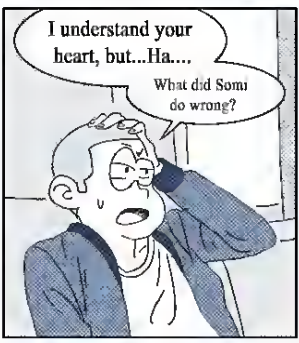
Somi

Now really... I should be okay.

Now
Yoon Hee...
Hey, you
horrible f*cker



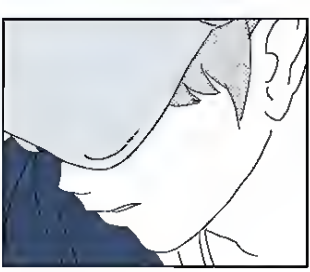
No, this is really...



I understand your heart, but...Ha....
What did Somi do wrong?

This isn't nice really...

.....

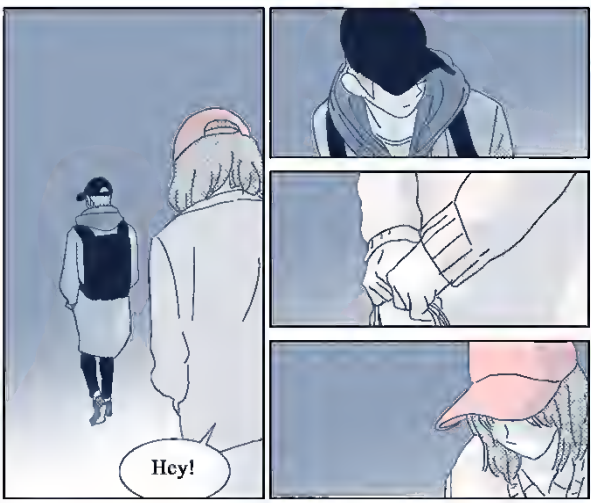


I am...
I am doing my best.
Really...

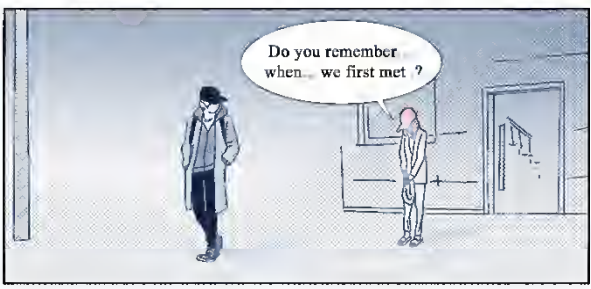
Do you... like her at all..?

Then

Goodbye
You should
go home now



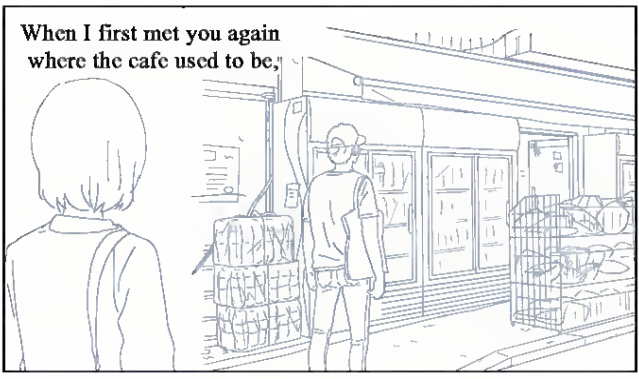
Hey!



Do you remember
when... we first met ?

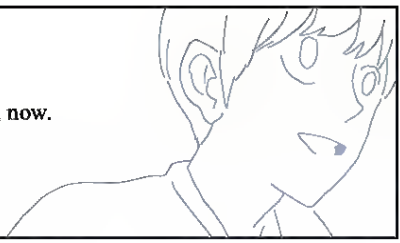
Huh?

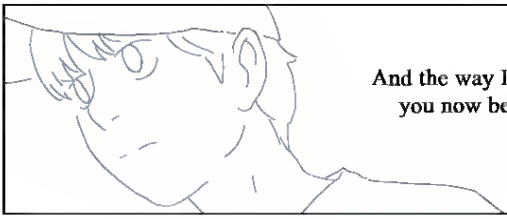
When I first met you again
where the cafe used to be,



I was so, so
happy to see you.

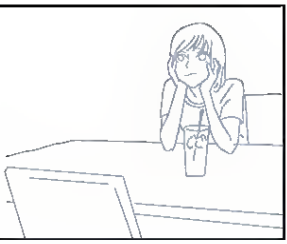
How I saw you until now.



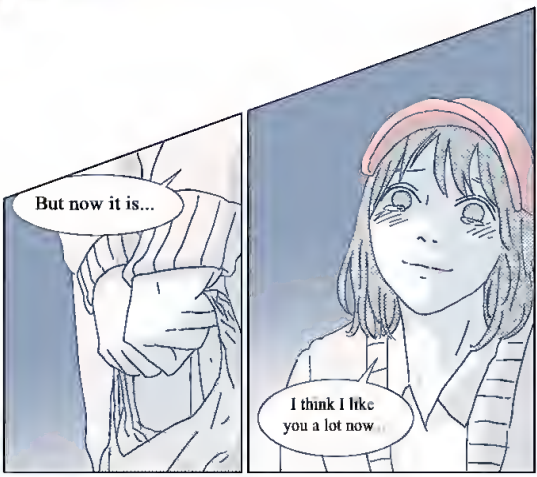


And the way I am seeing
you now beside me,

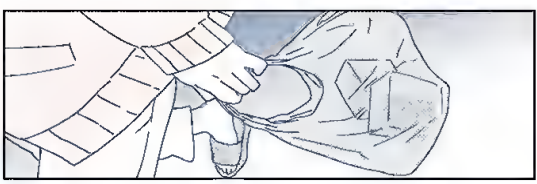
I just want to be
with you forever.



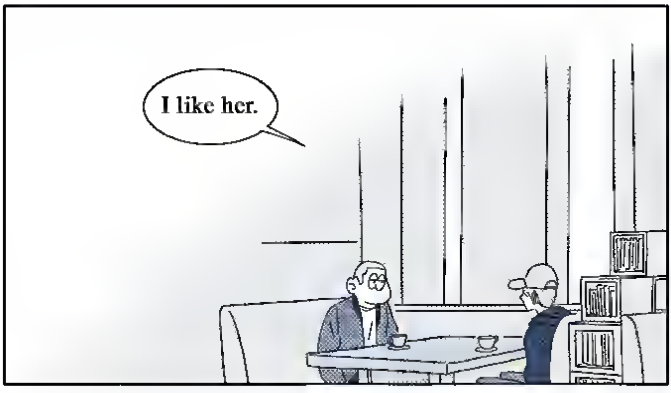
That was the only thing that I ever thought about



But now it is...
I think I like you a lot now



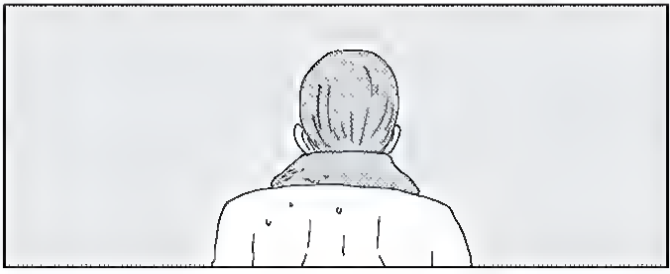
I like you.

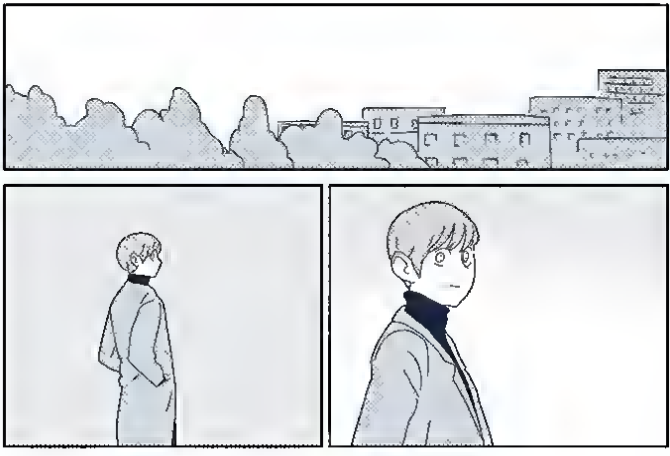


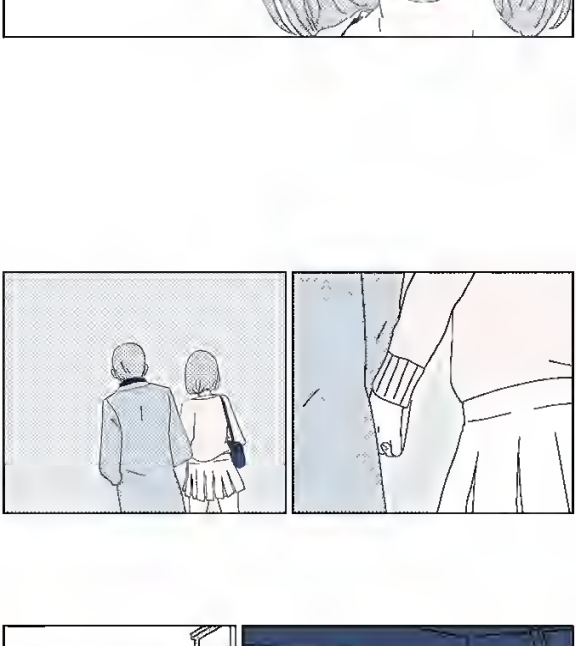
I like her.

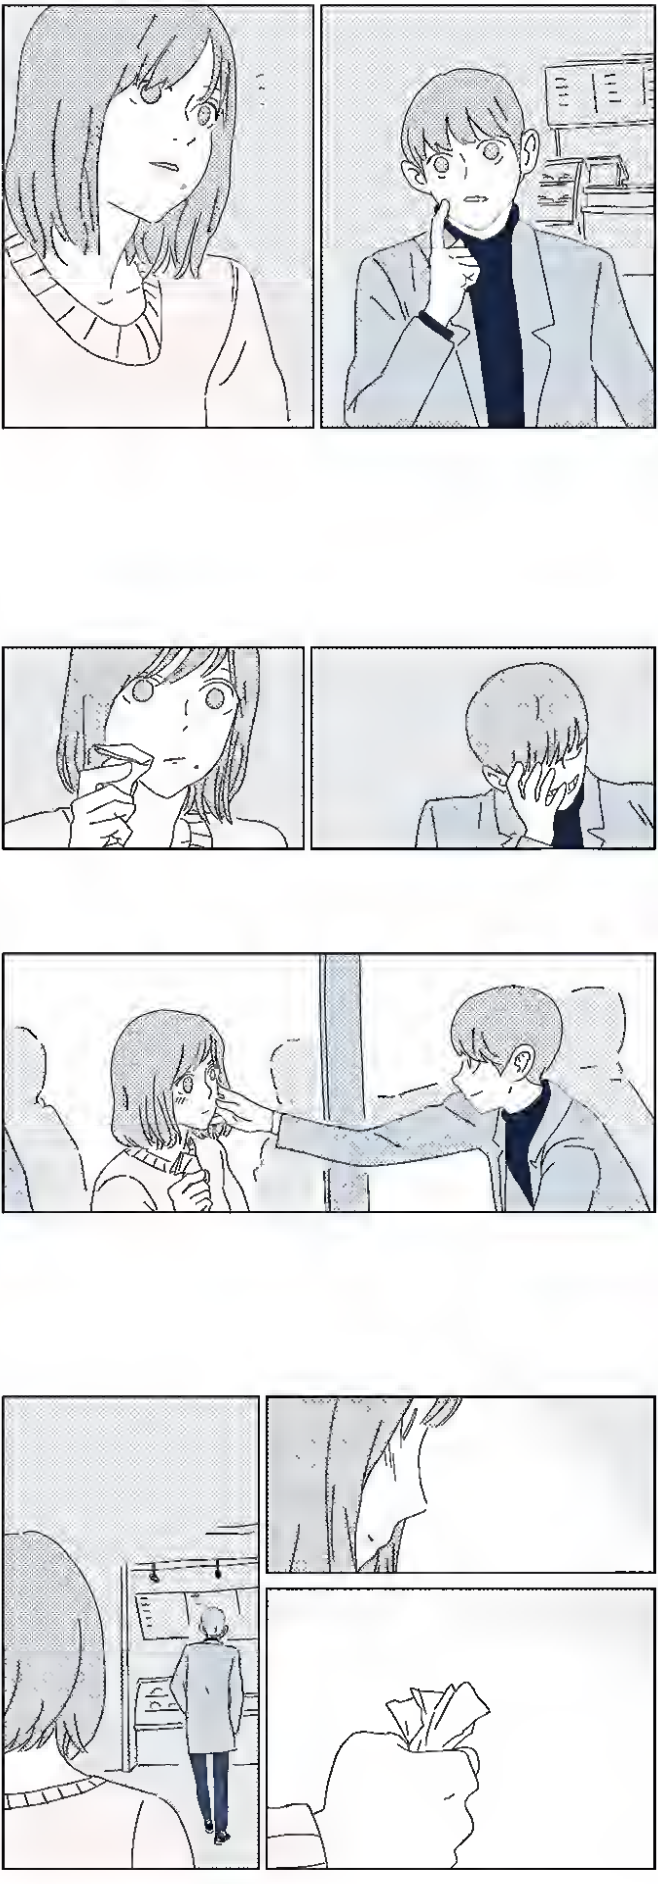
Ah, I don't know anymore! Do whatever you want.
Anyway.

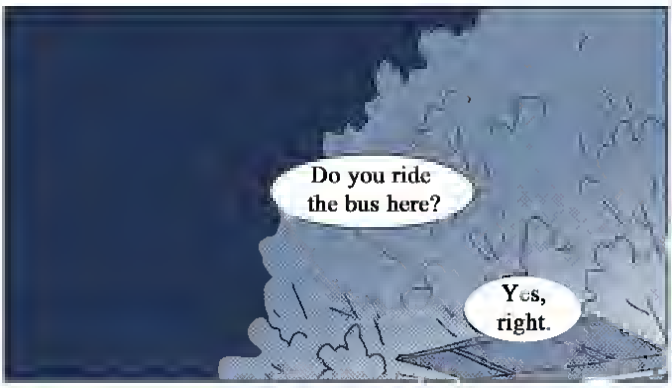
Congratulation for getting discharged from the army
Let's get some booze.



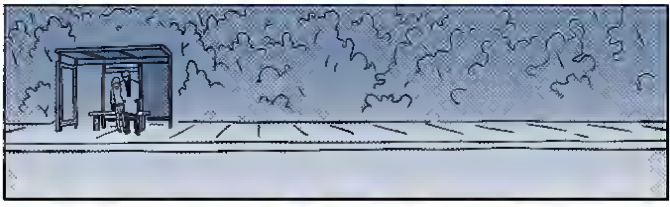


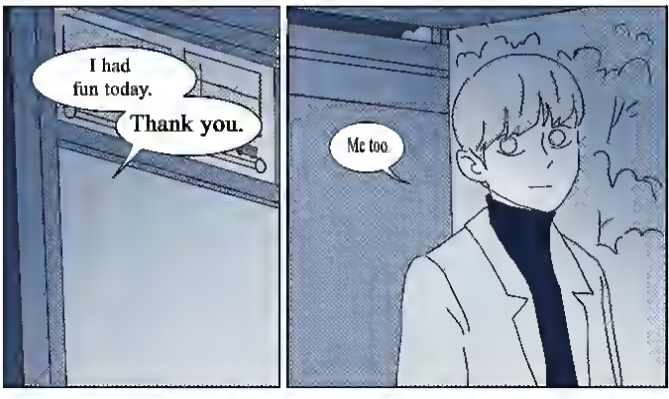






Do you ride the bus here?
Yes, right.





I had fun today.
Thank you.
Me too.
